To The Sponsors

The **Turkish Geriatrics Society (TGS),** which has been established in 2003, is a national, neutral, nonprofit organization and it aims to increase the standards in the field of geriatrics and gerontology including education of the academicians, professionals and public. The society also aims to create or make contributions for the development of technical, scientific and social facilities and it also cooperates with any and all related institutions, organizations, foundations and societies from the national and international area for this purpose. The society does not engage in politics, does not accept the contributions of the political organizations and does not contribute to these organizations.

Turkish Geriatrics Society is a member of International Association of Gerontology and Geriatrics-**IAGG**, an observer member of European Union Geriatric Medicine Society-**EUGMS** and European Aging Platform-**AGE**. All the scientidic organizations of **TGS** are supported by International Institute on Ageing-**INIA.**

The official scientific journal of the society is **Turkish Journal of Geriatrics,** which is an open access journal with over 1000 registered users. It offers unprecedented targeting opportunities to a high quality audience of researchers, authors, peer reviewers and editorial board members, giving you the perfect back-drop for marketing your products and services.

You can sponsor this society and the journal for a set time period reaching all users of that particular journal and all scientists in that sub-specialty across the network:

- Top/bottom and skyscraper positions taken by your sponsorship messages/advertisements
- Demographically target researchers in your sponsored journal field with advertisements across the network
- Sponsor emails reaching researchers in your sponsored journal field

Advertising banners

468 x 60 pixels, 15K in memory, supply as a gif with no more than two loops of animation finishing on one final frame. We accept most forms of rich media including Flash. We can recommend a design company that can do this for you at a reasonable rate. Maximum file size 25K.

Text
Top: Three lines of text with 72 characters maximum on each line including spaces
Bottom: Nine lines of text with 72 characters maximum on each line including spaces

- Prepare text messages using a text editor. Do not provide Microsoft Word documents
- Text URLs must be less than 70 characters
