In Memory of Professor John M. Goldman 1938-2013

9 January 2014

Professor John M Goldman, Editor-in-Chief of *Bone Marrow Transplantation* and NPG's longest-serving academic editor, sadly passed away on Christmas Eve leaving a strong legacy. Professor Goldman was a leading figure in the global fight against blood cancer throughout his forty-year career. He was the original founding Editor for *Bone Marrow Transplantation* and was President of both the European Hematology Association and the European Bone Marrow Transplant Group.

Martin Delahunty, Associate Director of Academic Journals at Nature Publishing Group, pays tribute to an influential colleague in [Nature Blogs](#).
