ORACLE FUSION MIDDLEWARE RELEASES

Maximize your support investment, unlock the full value of your Oracle products, and control your upgrade strategy—with the industry's leading support policy.

Simple, predictable, flexible, and the most comprehensive support policy available, the Oracle Lifetime Support Policy helps drive your business success. Oracle's industry-leading support policy covers your entire technology environment, from database to middleware to applications—an industry first, only from Oracle.

Oracle's Lifetime Support Policy also puts you in control of your upgrade strategy. Our flexible support policy stages make it easier for you to plan and budget for Oracle's exclusive product upgrades. You'll enjoy continued peace of mind, knowing that we'll always be there to support your business. When it's time to upgrade, you'll have rights to major product releases, so you can benefit from Oracle's technology leadership and keep pace with the world of business.

Expect lifetime support. Expect control of your technology future—with Oracle's Lifetime Support Policy.

ORACLE LIFETIME SUPPORT

Oracle Lifetime Support Policy – From Five Years to Forever

With Oracle Support, you know up front and with certainty how long your Oracle products are supported. The Lifetime Support Policy provides access to technical experts for as long as you license your Oracle products and consists of three support stages: Premier Support, Extended Support, and Sustaining Support. It delivers maximum value by providing you with rights to major product releases so you can take full advantage of technology and product enhancements. Your technology and your business keep moving forward together.

Premier Support provides a standard five-year support policy for Oracle Fusion Middleware products. You can extend support for an additional three years with Extended Support for specific releases or receive indefinite technical support with Sustaining Support.

Note: unless otherwise noted, each stage of support is provided through the last day of the month.

Premier Support

As an Oracle customer, you can expect the best with Premier Support, our award-winning, next-generation support program. Premier Support provides you with maintenance and support for Oracle Fusion Middleware products for five years from their general availability date. You benefit from

- Major product and technology releases
- Technical support
- Access to My Oracle Support
- Updates, fixes, security alerts, data fixes, and critical patch updates
- Tax, legal, and regulatory updates
- Upgrade scripts
- Certification with most new third-party products/versions
- Certification with most new Oracle products

Extended Support

Your technology future is assured with Oracle's Extended Support. Extended Support lets you stay competitive, with the freedom to upgrade on your timetable. If you take advantage of Extended Support, it provides you with an extra three years of support for specific Oracle releases for an additional fee. You benefit from

- Major product and technology releases
- Technical support
- Access to My Oracle Support
- Updates, fixes, security alerts, data fixes, and critical patch updates
- Tax, legal, and regulatory updates
- Upgrade scripts
- Certification with most existing third-party products/versions
- Certification with most existing Oracle products

Extended Support may not include certification with some new third-party products/versions.

Sustaining Support

Sustaining Support puts you in control of your upgrade strategy. When Premier Support expires, if you choose not to purchase Extended Support, or when Extended Support expires, Sustaining Support will be available for as long as you license your Oracle products. With Sustaining Support, you receive technical support, including access to our online support tools, knowledgebases, and technical support experts. You benefit from

- Major product and technology releases
- Technical support
- Access to My Oracle Support
- Fixes, updates, and critical patch updates created during Premier Support and Extended Support (if offered and only after the Extended Support period ends)
- Upgrade scripts created during the Premier Support stage

Sustaining Support does not include

- New updates, fixes, security alerts, data fixes, and critical patch updates
- New tax, legal, and regulatory updates
- New upgrade scripts
- Certification with new third-party products/versions
- Certification with new Oracle products
- 24 hour commitment and response guidelines for Severity 1 service requests
- Previously released fixes or updates that Oracle no longer supports

For more specifics on Premier Support, Extended Support, and Sustaining Support, please refer to Oracle's Technical Support Policies.

Oracle Applications
Unlimited:
The Choice Is Yours

Oracle Applications Unlimited and the Lifetime Support Policy represent our commitment to deliver an Oracle Superior Ownership Experience by protecting and extending your investment through enhancements to the products and solutions you have licensed. Oracle Applications Unlimited gives you the option to do what is best for your business: continue to derive value from your existing applications or upgrade to next-generation Oracle Applications, such as those built on Oracle Fusion Middleware, when it makes business sense.

The choice is yours.
